Respiratory System

Wall Chart
Muscles of Inspiration:
- External intercostals
- Diaphragm

Accessory:
- Sternocleidomastoid
- Scalenes
- Pectoralis minor
- Internal intercostals

Structures:
- Sternoceleidomastoid muscle
- Scalene muscles
- Clavicle
- Manubrium of sternum
- Right lung
- Sternum
- 5th rib
- Xiphoid process
- Cartilage of 10th rib
Muscles of Forced Expiration

Internal intercostals ➔ primary
Diaphragm

Rectus abdominis ➔ accessory
External abdominal oblique
